# Stoughton Memory Café

## **Dementia Friendly Tree at the Governor's Residence**

It is with great honor that the Dementia Friendly Stoughton Coalition has been invited to make personal ornaments and wreaths to help decorate the Governor's Residence. We hope to have those affected by dementia and their care partners join dementia friendly champions in the decorating. If you enjoy touring the residence during the holidays, look for our Dementia Friendly Tree, adorned with fond memories of days past.

## **How to help?**

We ask that each Memory Cafe participant and their care partner bring a photo of a fond memory to November's meeting. They will be displayed on the Dementia Friendly tree at the Governor's Residence.

**Bring your photos & yourself:  
Tuesday, November 7  
9:30 to 11:00 a.m.**

**Stoughton Hospital  
Bryant Health Education Center  
900 Ridge Street, Stoughton**

**Participants may use Stoughton Hospital's  
valet parking and wheelchairs to attend the  
Cafe - just inquire at the front desk.**

## **For More Information**

Contact the Stoughton Area Senior Center at (608) 873-8585.

---

Stoughton's Memory Café is supported by the Dementia Friendly Stoughton Coalition, which consists of representatives from Stoughton Health, Stoughton Area Senior Center, local nursing and assisted living facilities, local businesses and caring residents of the Stoughton community.
